EXPERIENCE

8/17 – 3/19

Account Manager • Accounting • Nolan & Cunnings

- Oversaw key accounts to ensure alignment with individual needs.
- Built and strengthened relationships with trucking companies and airlines to optimize daily operations.
- Produced, organized and submitted export paperwork to meet all applicable resolutions.

8/12 – 5/16

Bartender • Hospitality • Cliff Bell's

- Multitasked to meet customer, business operations and server needs with minimal errors or delays.
- Worked with management to plan and implement special events to boost customer numbers and profits.
- Optimized bar inventory and storage to effectively meet expected business levels with adequate stock of alcohol, soft drinks and other supplies.

11/06 – 7/12

Lead Bartender • Hospitality • BD's Mongolian Grill

- Worked with management to plan and implement special events to boost customer numbers and profits.
- Restocked beer and liquor on regular schedule and after special events to prepare for forecasted needs.
- Estimated daily beverage consumption to maintain proper inventory levels.
